**All meetings are held at 6:30 p.m. at the school.**

C.W. Henry is a special place where teachers and parents partner to ensure that all of our students are learning and thriving. There are many ways to get involved at Henry and we encourage you to find out what will work best for you, and your family. There is always a need for extra hands during the school day, both in the classrooms and for special events and PTA committees need volunteers to help with planning, organizing, and providing special programs and activities. Some of these activities include the school garden, the Watch D.O.G.S. (Dads of Great Students) program, Science Days, and teacher appreciation.

If you want to get involved, have any questions about the PTA, or want to make a suggestion about how we can better support the school, please email us at [cwhenrypta@gmail.com](mailto:cwhenrypta@gmail.com) or leave a note in the PTA mailbox in the school office.

Sincerely,

*The PTA Board*
