Since 2010, the C.W. Henry PTA has worked to:

- **build connections and community**
- **provide support and resources**
- **advocate for our children & educators**

PTA volunteers organize so many fun community events throughout the year and we also raise essential funds for field trips, classroom supplies, extracurriculars, teacher reimbursements, staff appreciation celebrations, and more!

At the beginning of the year, volunteers help coordinate family contacts lists by grade. We also organize campus cleanups and keep our school garden growing. Our PTA also is part of the NW Public Schools Coalition, sharing resources and building power in support of all of our Philly public schools.

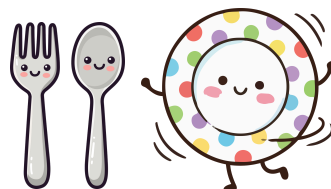

Together, we can do so much!

The C.W. Henry PTA and the School Advisory Council (SAC) work together in partnership to support our school. Families are warmly invited to take part in both and learn more!
